Nu Mark LLC operates www.markten.com. We at Nu Mark LLC respect your concerns about privacy. This Online Privacy Notice applies to personal information we collect on this website (the “Site”).

This Online Privacy Notice describes the types of personal information we collect on the Site, how we may use the information, with whom we may share it and the choices available to you regarding our use of the information. We also describe the measures we take to safeguard the information and tell you how to contact us about our privacy practices.

INFORMATION WE COLLECT

We may obtain certain personal information (such as name and other contact details) when you choose to provide them through our Site. The types of personal information we may collect include:

- Contact information, such as your name, postal address, e-mail address and telephone number;
- date of birth;
- username and password;
- personal information in content you provide on our Site (such as text you submit in a chat window on the Site);
- payment information, such as payment card details.

In addition, when you visit our Site, your browser will automatically provide certain information to us. The information we collect in this manner includes IP address, browser characteristics, device characteristics, operating system, language preferences, referring URLs, information on actions taken on our site, dates and times of website visits, and other technical information.

We may also collect certain information by automated means, such as cookies and web beacons. A “cookie” is a text file that websites send to a visitor’s computer or other Internet-connected device to uniquely identify the visitor’s browser or to store information or settings in the browser. A “web beacon,” also known as an Internet tag, pixel tag or clear GIF, links web pages to web servers and their cookies and may be used to transmit information collected through cookies back to a web server. Through these automated collection methods, we obtain “clickstream data,” which is a log of content on which a visitor clicks while browsing a website. As the visitor clicks through the website, a record of the action may be collected and stored. If you wish to disable the storage of cookies on your computer, you may do so using the settings on your browser or device. Please note, however, that without cookies you may not be able to use all of the features of our Site. For more information on deleting or controlling cookies, visit www.aboutcookies.org.

In addition to helping us better target our advertising, the use of these tracking tools helps us improve our platforms and user experience and track the effectiveness of our marketing efforts.

Your browser may give you the ability to control cookies or other tracking tools. How you do so depends on the type of cookie. For more information on controlling cookies, visit www.aboutcookies.org.

Some browsers have “do not track” features that allow you to tell a website not to track you. These features are not all uniform. We do not currently respond to those signals.

You can opt-out of online behavioral advertising. The Self-Regulatory Program for Online Behavioral Advertising program provides consumers with the ability to opt-out of having their online behavior recorded and used for advertising purposes. We reserve the right to transfer any information we have about you in the event we sell or transfer all or a portion of our business or assets (including in the event of a reorganization, dissolution or liquidation).
